## Adam Technologies, Inc.

### RoHS Certificate of Compliance

Adam Technologies certifies to its knowledge, all connector products designated by Adam Technologies to be “**RoHS Compliant**”, without taking any exemptions, and conform to the requirements of the European Union’s Restriction on Use of Hazardous Substances in Electrical and Electronic Equipment (RoHS) Directive, 2002/95/EC.

Adam Technologies defines “**RoHS Compliant**”, to mean that banned substances are not intentionally added during the manufacturing process and have upper concentrations within RoHS acceptable limits

This status is based on Adam Technologies understanding of RoHS and Adam Technologies knowledge of the materials that go into its products as of the date of disclosure of RoHS compliance.
